as you enter!**

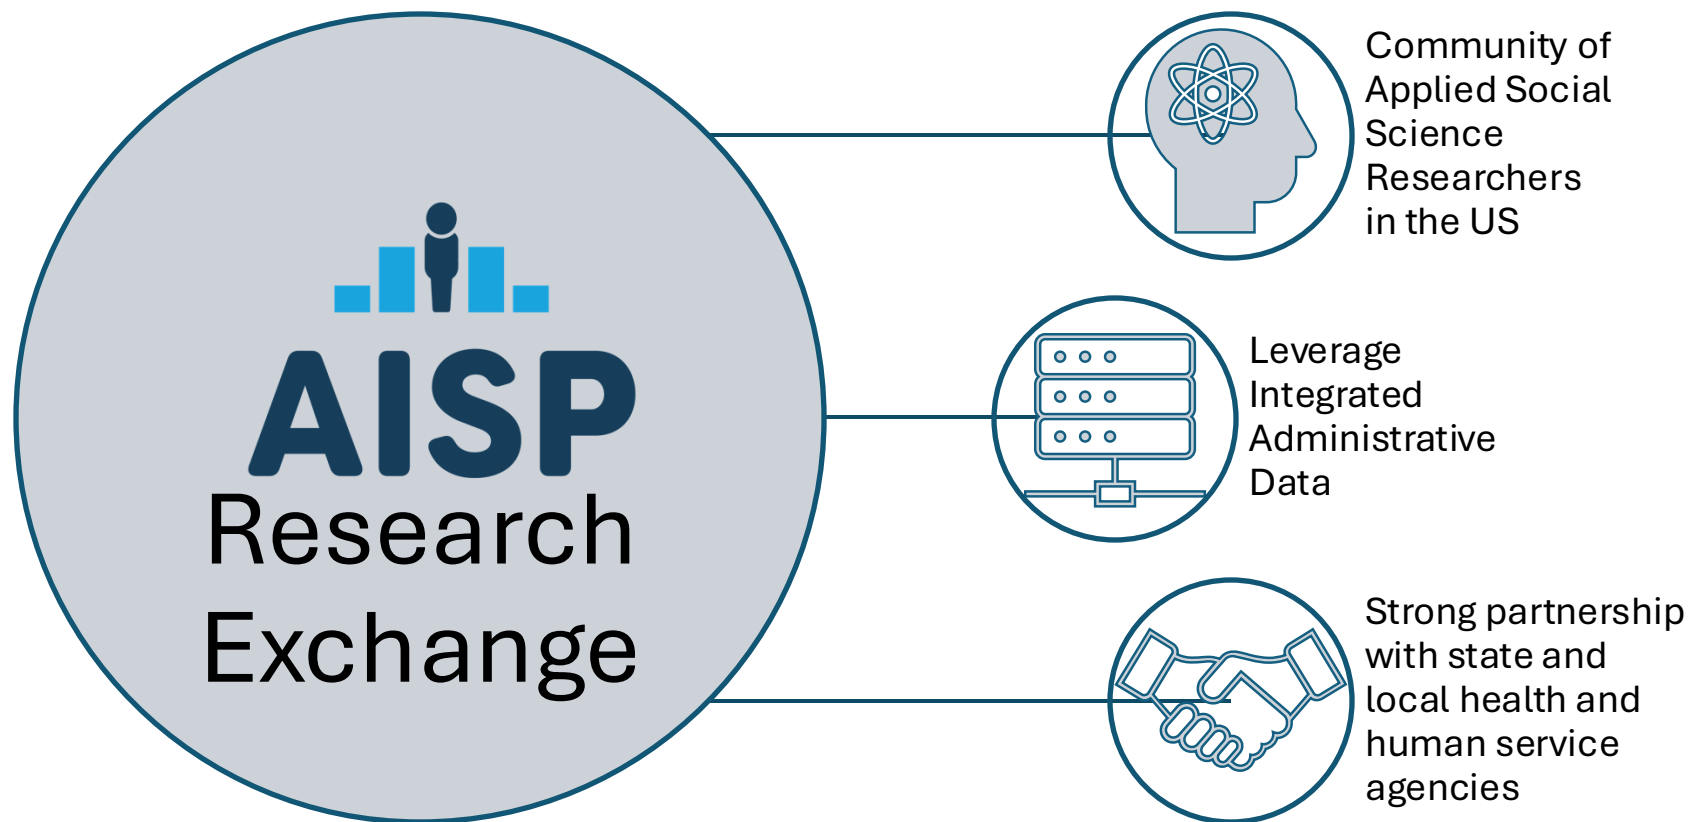

Why we're here today

- Hear updates from AISP
- Share conference insights
- Discuss next steps as a group

Who are we? What do we do?

“We facilitate knowledge sharing, innovation, and impactful research collaborations through in-person and virtual convenings, domain-specific engagements, and multisite research coordination.”

AISP Updates

Equity Toolkit 2.0

Network Survey (early 2025)

EiPLC

Next AISP Convening + Data Equity Summit (June 2026)

Conference Insights

- What resonated with you from sessions you've attended?
- What are you “nerding out” about?
- What practices would be challenging to replicate in the U.S. context?
- How do we expand what we're doing in the U.S. to advance population data linkage?

Next Steps for the AISP Research Exchange

- Plan conference for Fall 2025
- Continue conversations about multisite research
